Chemeter also provides safety data sheets in **Arabic.**

SDS Distribution & Management

Automatic notification to your customers

SdSArea is a tool that automatically manages and distributes your safety data sheets (SDS). It takes care of sending safety data sheets to your customers.

According to article 31, (CE) 1907/2006 (REACH), It is mandatory to notify the SDS to your customer

A cost-effective solution for the management of safety data sheet, saving your time and increasing your security

✔ Automatic delivery of safety data sheets

✔ Automatic periodic notification

✔ SDS tracking control

✔ SDS Receipt notification

✔ Receive your SDS products without SPAM

✔ Completely secure system

✔ Adapts to customer's language

✔ Integration with your management system

You can also download a QR code so that customers can view the website, company videos, safety data sheets and product data sheets from any mobile device.
